

Entertainment

Our care homes offer a wide range of entertainment tailored to meet the diverse needs of our residents. The activity calendar is filled with engaging options such as arts and crafts, gardening, dominoes, mild exercise therapy, pet therapy, and religious visits.

Bliss Care also organizes excursions to local garden centres and nearby beaches, using our own accessible van and with the support of our caring staff. Residents can relax and enjoy the outdoors in our well-maintained, accessible garden, perfect for sunny days under the shade.

We host large events throughout the year, including Christmas parties, summer BBQs, and many other fun-filled gatherings

Who owns Bliss Care?

Bliss Care is owned by Issac and Meghana Theophilos, both registered nurses with extensive experience in elderly care in care homes.

Issac, a former care home manager of a five-star CQC-rated home in Sussex, has also worked as a consultant, successfully turning failing care homes around on multiple occasions. He is the author of a best-selling book on care homes, widely recognized in the sector.

Issac purchased Aveland Court in 2022 when it was on the verge of closure due to care quality issues and transformed it into one of the best care homes in Torquay. In early 2024, Issac and Meghana acquired Lorna House near Cary Park, Babbacombe.

We are proud to be having the best team to deliver great care.
